Through our lab partners, HeliosDX offers high complexity:

- Urine Toxicology (UDT)
- Behavioral Toxicology
- Infectious Disease (UTI) PCR (Nail, Wound, RPP, STI, GI)
- Oral Fluids
- Allergy Blood Droplet

Prompt Resulting

Patient care is of the utmost importance to us. We strive to deliver patient results within 48 hours for all in-house Testing.

Interactive Sales Portal-Interactive Results Portal

See test results and sales updates in real time via the customer portal provided through GoRev which can be accessed at heliosDX.com. Never question again “are my results ready? Did they receive my samples”? We’ve got you covered!

Easy Shipping Solution

Partnering with Cardinal Health to provide a state-of-the-art shipping solution. This provides an easy way of sending us your samples. Being able to track packages, print labels on demand, and schedule pick ups is important to you and to us.

Patient-Centered Billing

We offer multiple options for patient balances, and will never send you to collections. Offering easy online bill-pay and easy to read statements is important to us.

Lab Partnerships

Our unique lab partnerships allow for providers to send more testing to our laboratory, creating a more streamlined patient care process.

Experience Matters

Our laboratory staff has a combined 20+ years of experience in multiple specialties. Our billing team also has a unique skill set with 10+ years experience of inhouse RCM.
